Dear CEC Parents,

I want to thank you for your response last year to the new registration plan and payment system. The results were much better than I could have expected the first time around. We will be following the same process again this year and it will be explained in the accompanying material from the CEC office staff. The fees for this year have stayed the same as last year with an option of paying in full or in three installments.

I wish to really emphasize how important it is for your family to be a part of St. Mark's community not only through attendance at CEC classes but at a weekly liturgy. It is so important at times like these today in our country and the world that we seek strength and love from God. Placing ourselves in the Lord's presence each week at Mass insures that we will build a relationship with God and one another that cannot be broken. We need each other in the Catholic Church Community. We need the prayerful support of each person who comes to church as we seek to build up and be the Body of Christ for one another.

Please make this a priority for your family. I realize it is not always easy but the benefits will last a life time and beyond.

Blessings,

Msgr. Joe Goode

Pastor
